Reference: Our discussions on implementation of Audit Tracker, Email Notificationss, LPA (Layered Process Audits) in your organization.

Subject: Business proposal for IT & Operations changeover consultancy and implementation of Audit Tracker, Email Notificationss, LPA (Layered Process Audits).

Dear Sir / Madam,

This is in reference to our discussions during our visit to your office. We thank you and your team for your valuable time during the presentation of CQUAL.

We discussed the current challenges and solutions CQUAL can provide, based on our brief discussions, please find attached a Preliminary Business Proposal for the required changeover at Divgi.

GOALS AND EXPECTATIONS

Our experts will be involved in redefining the operations setup for sustainable growth and required digitalization at Divgi.

Digitization of Audit Tracker, Email Notificationss, LPA (Layered Process Audits) replaces manual documentation, significantly accelerates approval process with centralized data management and improved traceability, reduced and lower administrative interfaces.

SCOPE OF WORK

Confirmation of your requirement specifications

Requirement analysis

Delivery of the required solution

Training and implementation using CQUAL Audit Tracker, Email Notificationss, LPA (Layered Process Audits)

Deliverables do not include the source code. Use of the solution is under license from BlechTek Software Solutions LLP.

We hope that this Document along with the enclosed Business Proposal is in line with your requirements. In case of any query, please feel free to call us.

TERMS AND CONDITIONS

1. Confidentiality

BlechTek Software Solutions LLP agrees to maintain the confidentiality of all insights gained into your organization.

2. License

You are responsible for holding valid licenses for any Operating System software required.

3. Ownership of Source Code

Source Code remains the property of BlechTek Software Solutions LLP. The customer shall not claim any right in or to any patent, copyright, trademark or other proprietary right of the original manufacturer, developer or licensor. The software, hardware or other goods supplied are in accordance with the export laws of the respective countries, and diversion contrary to these laws or regulations is prohibited.

4. Warranty

BlechTek offers a standard warranty against development defects for 3 months from the date of installation. BlechTek is not responsible for data loss due to platform, cyber-security or virus issues.

5. Installation of Software

The software is considered installed once loaded on the server. For on-premise servers, installation will be carried out only after receipt of a Site Readiness report from you, a copy of which will be forwarded to you along with our Order Acceptance / Request for Installation.

6. Excused Performance

BlechTek is not liable for delay or failure in performance due to strikes, riots, war, fire, acts of God, governmental regulation, or failure of hardware/network outside its control.

7. Discontinuation of Contract

You will be required to pay the balance amount to BlechTek immediately in case of the following: (i) discontinuation of the contract for reasons that are not related to BlechTek; or (ii) the contract is stalled by you at any stage for a period of more than 60 days.

BlechTek Software Solutions LLP

Address: S.NO. 257/2/2A/4 ABC Business Center, S Floor, Opp. WindMill Village Road, WindMill Village, Bavdhan, Pune 411021, Maharashtra
LLP No.: ACD-6620 | GST NO.: 27ABCFB0283B1Z0 | MSME Certificate No.: UDYAM-MH-26-0746115

8. TDS

Any TDS deducted must be supported by a certificate within 6 months or by the end of the financial year, failing which the deducted amount becomes payable.

9. Validity of the Offer

This offer is valid up to 04-09-2026.

10. Suggestions by Auditors / Consultants

Any changes suggested by auditors or consultants must be raised before order finalization; later changes are chargeable separately.

11. Legal

Disputes arising from this order are subject to the jurisdiction of courts at Pune, Maharashtra.

We hope this document aligns with our discussions. Please feel free to reach out for any clarification. Thanking you in anticipation.

Sincerely,

For BlechTek Software Solutions LLP
